

# Youth Offending Speech and Language Therapy

**Ealing Council and Ealing Hospital NHS Trust will be presenting the results of this two-year EU-funded research project at a conference on Thursday 24th November 2011, in Ealing, West London.**

At the conference, the researchers will launch a resource manual for practitioners that contains a speech, language and communication screening tool and a therapy package that can be used within the youth justice system.

## Format

As well as a keynote speaker, presentations from the project team and workshops, art and video work produced by young people will be on exhibit to mark the Year of Communication

## Location

Pitzhanger Manor Gallery,  
Walpole Park, Mattock Lane,  
London, W5 5EQ.  
09:30-16:00
